PRODUCT DESCRIPTION

Designer: Hollis + Morris

Hollis + Morris Stala Pendant

The Hollis + Morris Stala Pendant is an organic luminaire, consisting of wooden spheres and a hand-blown glass diffuser. This glass sphere resembles a drop of water, caught mid-fall. Hovering with quiet presence, it recalls the downward pull of stalactites, balancing weight with levity. Stala is available in two sizes, with either four or six spheres all together. Crafted from solid wood, this pendant is also available in four high-quality finishes: W.Oak / Natural, W.Oak / White, W.Oak / Black, or Walnut / Natural.

Stala is a creative addition to both residential and commercial interiors, a striking way to illuminate bedsides, stairwells, and entryways. Present the Hollis + Morris Stala Pendant individually or in multiples for a more dramatic installation.

Please Note: The Hollis + Morris Stala Pendant is supplied with a white ceiling canopy as standard, but a custom finish can be provided upon request. Please Contact Us for more information.

PRODUCT SPECIFICATION

Light Source: 1 x 4W G4 LED (Included)

IP Code: 20

Dimming: Dimmable using trailing edge dimming.

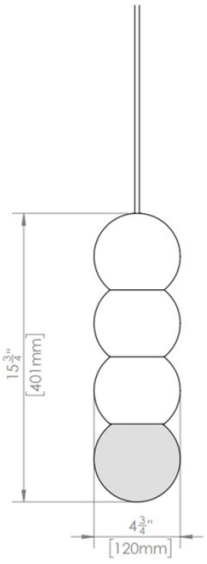

Dimensions:

Small:
Height: 40.1cm
Width: 12cm

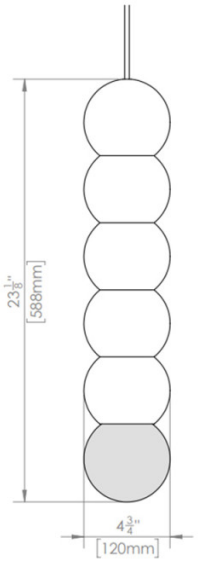

Large:
Height: 58.8cm
Width: 12cm

Cable Length: 300cm
