a-emotional light Núa Table Lamp

Designed by the a-emotional light Design Team, the Núa Table Lamp is a study of material and light. The vertical shade is crafted from stainless-steel mesh, which is pleated to create volume and depth. The simplicity of the lamp's geometry contrasts with the richness of the mesh shade, creating a sculptural presence, even when not in use.

When illuminated, light escapes through gaps in the shade for a captivating play of light and shadow. The Núa's pleats envelop and shape the light while adding to the lamp's strong vertical character. This ambient glow of light creates an intimate, cosy lighting, perfect for adding warmth to living spaces, reading nooks, and bedrooms. Display with other pieces from the **Núa Collection** for a harmonious installation that creates a sense of balance.

As well as Warm White, the Núa Table Lamp is available in Taupe, Beige, and Grey. Please contact us for more information and pricing.
