PRODUCT DESCRIPTION

Designer: a-emotional light Design Team

a-emotional light Núa Pendant Composition

The a-emotional light Núa Pendant Composition combines all three sizes of the Núa Pendant into a single sculptural form. With a diameter of 27cm and a total height of 70cm, the Núa Pendant Composition boasts an impressive size that suits large spaces with high ceilings. The cylindrical shades are crafted from stainless-steel mesh, a durable material that adds texture to the design. The mesh is pleated to form lines down the shade, complementing the pendant's strong vertical character.

The Núa Pendant Composition adds a decorative element to a room, even when not in use. When illuminated, light escapes through small holes in the mesh, creating a captivating, ever-changing show of light. The vertical pleats envelop light, playing with shadow and translucency to create a sense of depth. In the home, the Núa Pendant Composition suits entrance halls, stairwells, and large living spaces, while in commercial settings, the composition is perfect for creating large installations in hotel lobbies, restaurants, and bars.

As well as Warm White, the Núa Pendant Composition is available in Taupe, Beige, and Grey. Please contact us for more information and pricing.

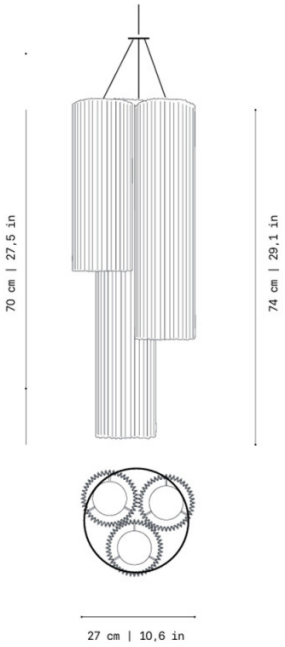

PRODUCT SPECIFICATION

Light Source: 3 x Max 12W E27 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø27cm
Height: 70cm
Cable Length: 150cm
