PRODUCT DESCRIPTION

Designer: a-emotional light Design Team

a-emotional light Núa Ceiling Light Composition

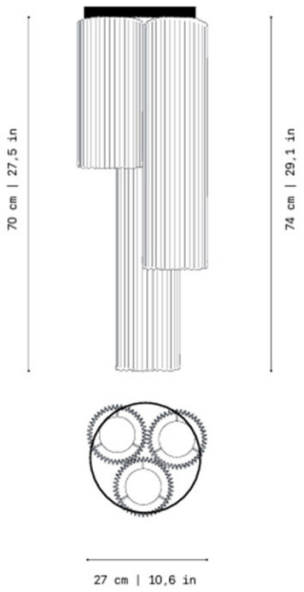

The Núa Ceiling Light Composition by a-emotional light brings together all three sizes of the **Núa Ceiling Light** in one sculptural arrangement. Each cylindrical shade is made from durable stainless-steel mesh, bringing texture and definition to the design. Pleats run vertically along the mesh, reinforcing the light's tall, linear silhouette. Measuring 27cm in diameter and 70cm in overall height, this large composition is well suited to spacious interiors with high ceilings.

Even when switched off, the Núa Ceiling Light Composition makes a distinctive decorative feature. When illuminated, light filters through the small holes in the mesh to produce a captivating display that shifts with the viewing angle. The vertical pleats shape the light and create layered effects of shadow and translucency, adding depth to the composition. The Núa Ceiling Light Composition works particularly well in entrance halls and stairwells and can be combined with the Núa Ceiling Light to create dynamic compositions that play with scale and presence.

As well as Warm White, the Núa Ceiling Light Composition is available in Taupe, Beige, and Grey. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source:	3 x Max 12W E27 LED (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø27cm Height: 70cm
