PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Riddle Double Wall Light

Bert Frank Riddle Double Wall Light uses twin articulated, perforated metal shades with fabric inserts to provide a soft wash of light. Each shade can be positioned independently, allowing the fitting to illuminate a feature as well as the surrounding wall.

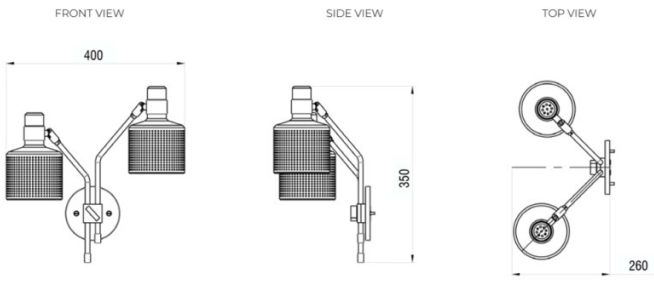

The Double Wall Light is available in Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel, with a choice of powder-coated options for the details. Its adjustable shades are central to the Riddle design, giving control over the direction of light without changing the position of the fitting.

Two light sources make this version suitable where illumination is needed across a wider area from a single wall fitting. Best suited to bedrooms, hallways, living spaces, and seating areas where adjustable wall lighting is useful.

Please note, the product shown features Bert Frank's Textured Black powder-coated details. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes. Contact us for pricing and information.

PRODUCT SPECIFICATION

Light Source:	1 x Max 4W G9 LED (included)
