PRODUCT DESCRIPTION

Designer: Seppo Koho

Secto Octo Tre 4242 Pendant Light

Secto Octo Tre 4242 Pendant was introduced in 2026 following requests for a smaller version of Seppo Koho's original Octo pendant. It uses the same rounded shape and open arrangement of wooden slats as the Octo 4240 and Octo Small 4241, but on a smaller scale.

Handmade in Finland from PEFC-certified form-pressed birch slats, the Octo Tre is available in Natural Birch, White laminated, Black laminated, and Walnut veneer finishes. The open structure allows light to pass between the wooden slats, providing an intimate glow from its warm 2700K light source. The pendant is dimmable when used with a compatible LED dimmer.

The Octo Tre can be hung on its own, in a row, or alongside the larger Octo pendants. Its smaller size makes it suitable for spaces where the original models would be too large, including above sideboards, desks, and smaller dining tables.

Please Note: The Secto Octo Tre 4242 Pendant in Natural Birch, White Laminated and Walnut Veneer is supplied with a white textile cable and ceiling cup as standard, while the Black Laminated finish is supplied with a black cable and ceiling cup. The included LED bulb may vary from the manufacturer's published specification. DALI dimming is possible using a separate compatible DALI dimmer, which is not supplied by Secto. Please contact us for further information.

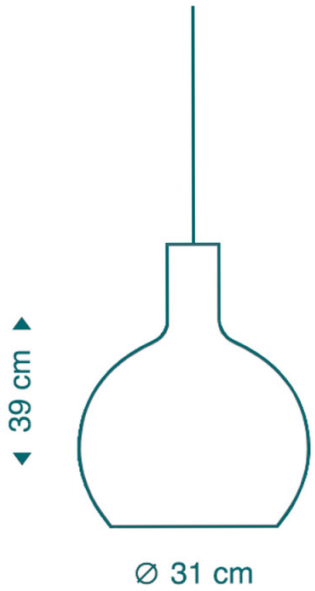

PRODUCT SPECIFICATION

Light Source: 1 x Max 4.5W G9 LED (Included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Height: 39cm
Shade: Ø31cm
Ceiling Canopy: Ø12.2cm (Ø13.1cm with ring)
Ceiling Canopy Height: 11.2cm (12cm with ring)
Cable Length: 180cm
