PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Tanto Cast Brass Wall Light

The Bert Frank Tanto Cast Brass Wall Light has a cylindrical opal glass lamp set between two asymmetric brass rods. A sand-cast brass shield holds the pieces together, replacing the polished marble found on the original Tanto. The rougher surface of the cast brass contrasts with the smooth metal rods and opal glass.

Available in Brushed Brass, Antique Brass, and Dark Bronze, the Tanto Cast Brass Wall Light features lacquered brasswork with a central sand-cast shield. The cylindrical opal glass provides a soft, even glow, with the supplied LED lamps producing warm 2700K illumination. Dimmable via TRIAC dimming. The asymmetric arrangement of the brass rods gives the fitting its distinctive look.

The Small and Large versions each have a single opal glass lamp, with the Large offering a taller arrangement. The Double has two lamps set against a wider sand-cast brass shield. Tanto's narrow profile works particularly well beside beds, along hallways, or on sections of wall between windows.

PRODUCT SPECIFICATION

Light Source:

Small:
1 x Max 4.5W S14D LED (Included)

Large:
1 x Max 7W S14D LED (Included)

Double:
1 x Max 4.5W S14D LED + 1 x Max 7W S14D LED (Included)

IP Code: 20

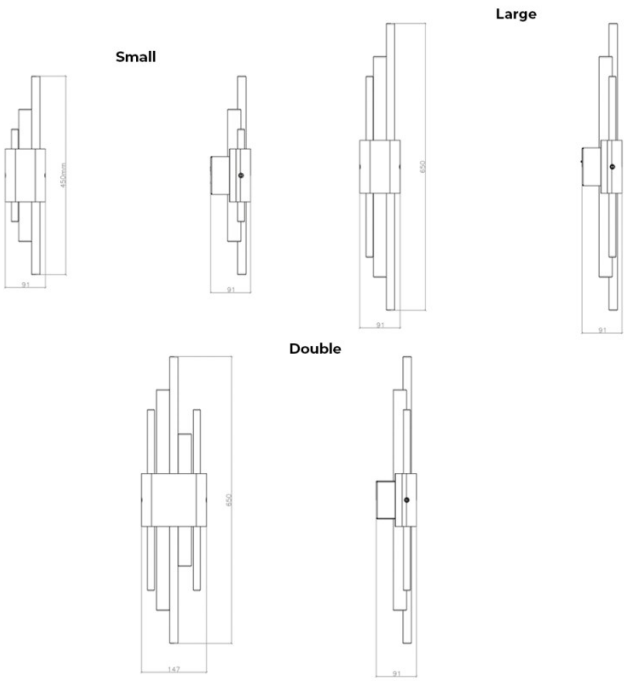

Dimming: Dimmable via Triac dimming.
