PRODUCT DESCRIPTION

Designer: Miguel Milá

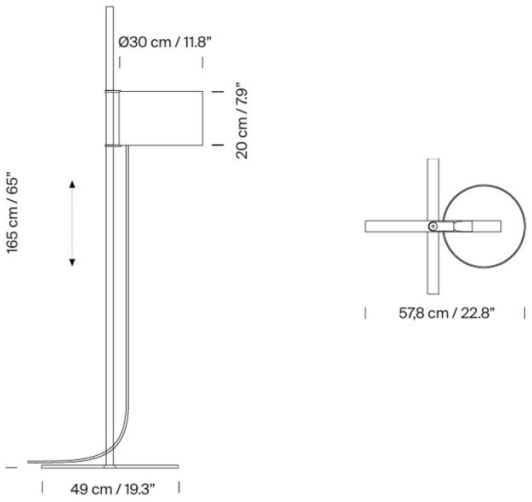

Santa & Cole TMA Floor Lamp

The Santa & Cole TMA Floor Lamp is a refined evolution of Miguel Milá's iconic **TMM Floor Lamp**, designed in 1961. Reduced to its essential elements, the TMA combines a cross-shaped base and sturdy vertical shaft with a lightweight frame that supports the bulb holder. Its slender profile is available in two finishes: Aluminium Grey and Black Matte.

A signature pull-cord switch turns the TMA Floor Lamp on and off. Its parchment shade softly diffuses the light to create a warm, glare-free glow and a comfortable atmosphere. Rotate the shade around its axis and adjust its height to direct the light where needed. Positioned beside a sofa, the TMA brings timeless character to an interior without overwhelming the space.
