Fabbian Cindy Recessed Light

EX-DIPLAY BOXED IN B-GRADE ORIGINAL PACKAGING. MINOR SCRATCHES TO INTERNAL LAMP HOLDER FRAME, BUT ARE NOT VISIBLE WHEN INSTALLED. SEE IMAGES FOR EXACT CONDITION.
1 x Available.

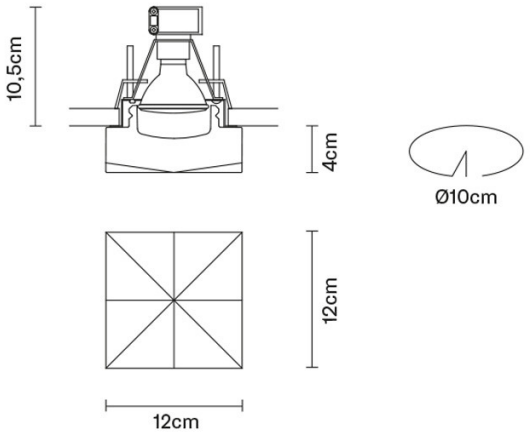

The Fabbian Cindy Recessed Light is a simple but dramatic lighting solution. This recessed light was designed by Pamio Design, who wanted to create something more unique than a traditional recessed light. Cindy is crafted from Transparent 24% crystal glass, and the diffuser creates playful and unique lighting patterns across the ceiling.

This contemporary lighting solution can be utilised in almost any modern setting, whether commercial or residential, and due to the IP44 rating, can even be used in bathrooms. On its own, it is the perfect solution for illuminating entranceways and hallways, while more than one will bathe living rooms, studies and dining rooms in a strong diffused light.

Please Note: the Fabbian Cindy does boast an IP44 rating, although the interior ceiling fitting remains IP20.
