The Verpan Fun 1TM Table Lamp is often regarded as one of Verner Panton's greatest masterpieces. Comprised of a chrome-plated frame and mother-of-pearl discs, the Fun 1TM beautifully showcases Panton's playful approach to design and materials. The cascading seashell discs give the lamp an ornamental appearance, making it both a functional light and a sculptural statement piece.

When illuminated, the discs reflect and diffuse light for a glare-free and atmospheric glow. Display in a bedroom, living space, or dining room for warm lighting that adds strong character and a timeless aesthetic to the interior. In commercial spaces, the Fun 1TM suits boutiques, cosy bars and other hospitality environments that require a sense of elegance and intimate illumination.
