Fritz Hansen Caravaggio Matt Pendant

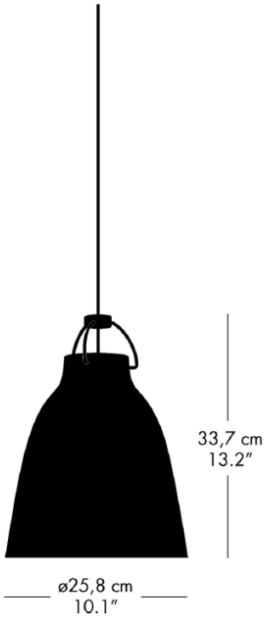

EX-DISPLAY, BOXED IN B-GRADE NON-ORIGINAL PACKAGING. IN GREAT CONDITION.
1 x Warm Grey Available.

The Fritz Hansen Caravaggio Matt Pendant was originally launched in 2005, designed by Cecilie Manz. Its silhouette resembles a bell, crafted from metal and encapsulating the light source. This design of the Caravaggio expertly prevents glare thanks to the depth of the shade, and a small opening at the top helps to illuminate the suspension cable, resulting in a more even dispersion of light.

The matt finish of the Fritz Hansen Caravaggio Pendant creates an elegant aesthetic no matter where it is displayed, allowing you to choose between seven finish options and various sizes. It can be displayed individually or in clusters and linear rows of numerous sizes in residential and commercial environments.
