PRODUCT DESCRIPTION

Designer: Santa & Cole Team

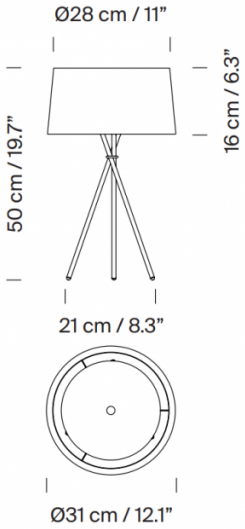

Santa & Cole Tripode M3

The Tripode M3 table lamp is the smaller version of the G6 table lamp and features the staple cotton ribbon shade that Santa & Cole are known for. The base is made up of three black metal legs, configured into a tripod to provide optimum balance, and houses a rounded drum lampshade. The shade is delicately held, creating a stylish aesthetic that can slip into any design scheme.

The Santa & Cole Tripode M3 Table Lamp is available in five beautiful shade colours, ranging from subtle to a pop of bolder colour so you are able to pair the right finish to your interior. The light source is expertly concealed within the Tripode shade and diffused, creating a lovely warm glow, suitable for lounges, bedrooms, offices and more.
