PRODUCT DESCRIPTION

Designer: Antonio Citterio

Kartell Spoon Stool

Designed by Antonio Citterio, the Kartell Spoon Stool is elastic in both appearance and function. Its sophisticated design includes an ingeniously concealed hand pump within the seat, allowing you to adjust the stool height between 56cm and 76cm for comfort and ease of use. Spoon is available in either a sleek white or sleek black finish, offering a monochromatic colour palette that can adapt to a wide variety of contemporary interiors.

With a smart design and a comfortable seat, back and footrest, the Kartell Spoon Stool is an ideal solution for breakfast bars and kitchen benches. It quietly adapts to your daily routine, providing practicality and style to your interior.
