Muuto Fluid Pendant Light

An elegant organic design by Claesson Koivisto Rune, the Muuto Fluid Pendant draws inspiration from the form of a drop of water. A natural shape crafted from mouth-blown opal glass with a soft appearance, the choice of a frosted finish adds to its beauty. The Fluid pendant light emits an evenly diffused warm light that generates a cosy and inviting interior.

Available in two sizes, a small (Ø23cm) and large (Ø42cm) version, the Fluid can be installed individually or in clusters of varying sizes. The Muuto Fluid Pendant is a beautiful addition to both residential and commercial interiors, it truly makes a statement when displayed above dining tables, kitchen islands and workspaces. But is also welcomed in larger spaces such as in restaurants, bars and hotels.
