PRODUCT DESCRIPTION

Designer: Arik Levy

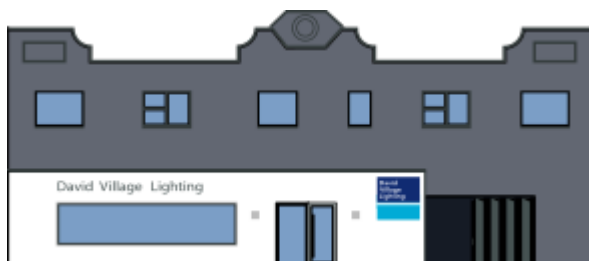

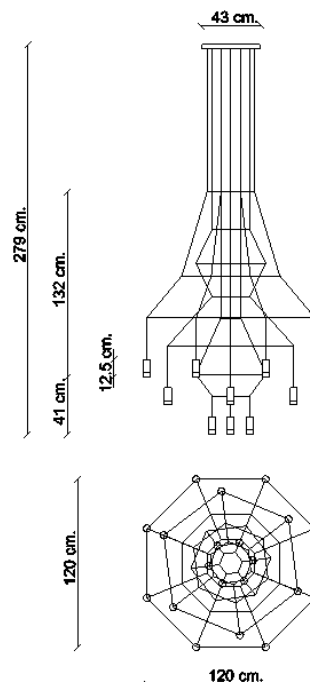

Vibia Wireflow 0315 Chandelier

The Vibia Wireflow 0315 is the largest in the collection, featuring 20 light sources. Designed by Arik Levy, a designer, artist, photographer and technician the Wireflow 0315 Chandelier is a beautiful addition to commercial spaces. It is crafted from black electrical cables which are combined to create sharp 3D geometric shapes and aims to produce a contemporary chandelier which simplifies the classic silhouette whilst still making a statement. This Vibia LED light takes chandeliers to a futuristic dimension.

The Wireflow 0315 Suspension provides the user with a functional downlight, perfect for atriums, hotel lobbies, large living areas, restaurants and bars. Thanks to the black finish it can easily adapt to a range of interiors and suit a variety of styles.
