28 Series Cluster Pendant Light by Bocci

The 28 Series cluster is made up of pendants from the [Bocci 28 series](#) and is a magnificent and beautiful light that will create a mind-blowing effect in any interior. Each shade produces a warm glow as it is concealed by a milk white lamp holder. The lampshades are made from blown glass and has 2 intriguing cavities which create an interesting aesthetic. The cluster pendant also comes with light bulbs included by Bocci with a choice between the **LED 1.5W** bulb and the **Xenon 20W** bulb.

The pendant light is also available in many different colour combinations which you can choose on their website. Please [click here](#) to create your own unique cluster and then forward your custom design to us so that we can send you a quotation. See the last image to the left for reference and how to send us your design.

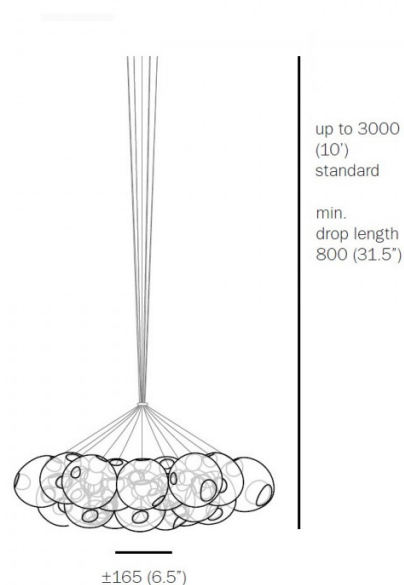

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available, please [contact us](#) for more information and pricing.
