PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

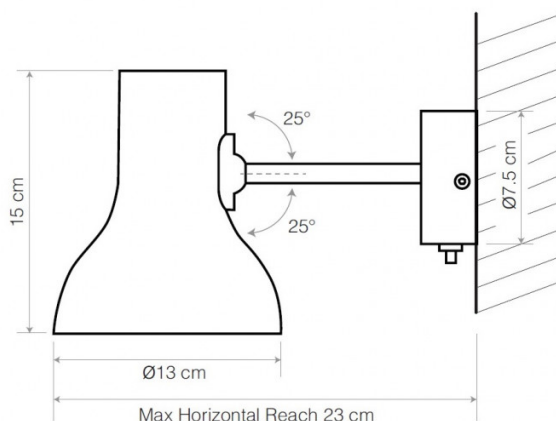

Anglepoise Type 75 Mini Wall Light

The Anglepoise Type 75 Mini Wall Light is a compact version of the [Type 75 Wall Light](#). Its smaller size ensures that it will blend into and enhance any interior space. The lamp features Anglepoise constant tension spring technology to provide the flexibility and flawless balance expected of an Anglepoise. Available in Jet Black, Alpine White, and Slate Grey, the Type 75 Mini Wall Light blends seamlessly into a range of interiors in both residential and commercial settings.

The Type 75 Mini Wall Light's adjustable shade allows users to focus the light where required. This directional light is perfect for use at a bedside, in an office, or in a gallery to illuminate works of art. Install individually for a bright spotlight, in pairs for a sense of balance, or in rows to create a uniform spread of light. Available as a hardwired version or with a cable and plug, to suit any decor.
