PRODUCT DESCRIPTION

Designer: Miguel Milá

Santa & Cole Wally Cestita Wall Lamp

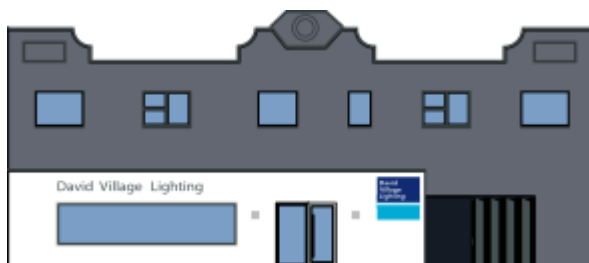

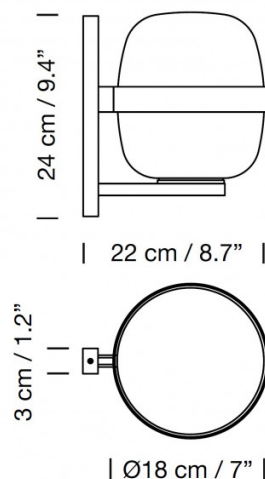

The Wally wall light brings the beauty and design of the [Cestita table lamp](#) to a wall application. The designer, Miguel Milá, first created the design in the 1960s after he found an abandoned round glass lampshade outside a factory in Barcelona. Using it as his main source of inspiration, Milá created lights that use a glass shade as the central idea of the design.

The Wally wall light is available in a matte black or matte white finish and has an IP rating of 54, meaning that it is suitable for both indoor and outdoor use. Use along your corridor, in your lounge, as a welcome home light and more thanks to its versatile design and functional nature. Provides a nice, diffused glow that is effective and long-lasting.

PRODUCT SPECIFICATION

Light Source: 1 x Max 3.4W E27 LED (included)
