Artemide Tolomeo Decentrata Suspension Aluminium

The Artemide Tolomeo Decentrata suspension light has cantilevered arms allowing you to adjust the light whichever way you wish. A part of the iconic [Artemide Tolomeo collection](#), the range was designed by the award-winning Michele de Lucchi & Giancarlo Fassina. This suspension light emits a downward glow and with its adjustable abilities makes it a very versatile and handy light.

The Artemide Tolomeo Decentrata suspension is wonderful for many spaces and particularly thrives in offices, hanging over a desk or table as it can be used as a reading/task light. This version of the Decentrata suspension has a polished aluminium structure and lampshade but is also available to purchase online with a parchment or satin shade.
