PRODUCT DESCRIPTION

Designer: Seppo Koho

Secto Petite 4620 Table Lamp

The Secto Petite 4620 Table Lamp is a compact yet striking design, handmade in Finland by skilled craftsmen using PEFC-certified form-pressed Finnish birch. Its small slatted shade emits a warm, soft glow, making it an ideal choice for bedside tables, desks, or coffee tables. The swinging shade adds functionality, allowing light to be directed where needed.

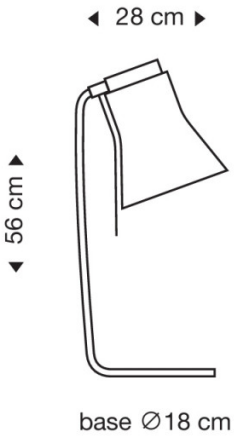

Designed with Scandinavian elegance, the Petite 4620's minimalist base measures only 18 cm, ensuring it fits seamlessly into even the smallest of spaces. Its sleek silhouette pairs beautifully with modern and traditional interiors alike.

Available in four finishes- natural birch, walnut veneer, white laminate, and black laminate- the Petite 4620 table lamp is part of the wider **Petite range**, which includes pendants, floor lamps, and wall lights for a cohesive lighting solution.

Please Note: The Secto Petite 4620 Table Lamp in Birch, White and Walnut is supplied with a white steel stand and white textile cable as standard, while the Black finish is supplied with a black stand and black cable.
