Lampe Gras No. 411 Floor Lamp by DCW éditions

The Lampe Gras No. 411 floor lamp was designed by Bernard-Albin Gras, an iconic 20th century designer who changed the lighting world with his [Lampe Gras collection](#). This floor light retains the timeless and stylish feel from when it was first created in 1921, with a gorgeous black structure and round coloured lampshade. The floor lamp is functional as well, with a stem, arm and shade that can be moved and rotated for your desired light flow.

The Lampe Gras No. 411 floor light also has an arm that can be folded out, doubling the reach and maximising its flexibility. Suitable for homes, professional spaces and commercial interiors, the No. 411 is a captivating and beautiful addition to any design scheme with 11 shade colours available.
