Astro Mosto Wall Light

Astro Mosto Wall Light is a compact plaster wall light for interior use. It has a white plaster finish that can be painted to match the surrounding wall.

Mosto is designed for vertical wall mounting. Its small form makes it a simple option for spaces where the light needs to sit neatly on the wall without adding a decorative finish.

Mosto uses one G9 lamp, sold separately, and can be dimmed when used with a compatible dimmable bulb. It is wired in, Class I earthed, and suitable for mounting on flammable surfaces.

Best suited to hallways, bedrooms, living spaces, staircases, corridors, and compact interior wall lighting.
