PRODUCT DESCRIPTION

Designer: Giovanni Barbato

Axolight Hoops LED Suspension

Designed by Giovanni Barbato, the Hoops Suspension is a playful and evocative addition to any room. Barbato utilised his understanding of materials and processing techniques to create an innovative suspension that is as functional as it is decorative. The suspension is crafted from a metal thread that is twisted around an LED light source. Available in three finishes: White, Gold, and Black, and four sizes, the Hoop Suspension complements a wide range of interiors.

The flowing lines throughout the suspension are evocative of a twirling ribbon, suspended weightlessly in mid-air. This ornamental aesthetic makes the Hoop Suspension an eye-catching, decorative piece, even when not in use. When illuminated, the LED casts a wide beam of light into a downward-directed glow. As light is refracted from the metal thread, a captivating play of light and shadows is projected against the surrounding walls. Display above a dining table or in an entrance hall as an elegant addition to the room. In larger spaces, install in clusters for a unique showstopping display that will leave a lasting impression.

PRODUCT SPECIFICATION

Light Source: 32W, 3000K, 2860 Lumens

IP Code: 20

Dimming: Dimmable using trailing edge dimming.

Dimensions:

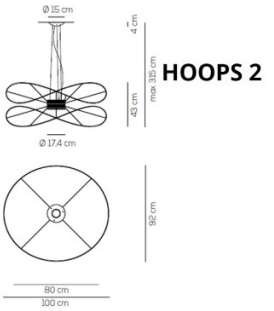

Hoops 2:
Height: 43cm
Outer Thread: 100cm x 92cm
Maximum Drop Height: 315cm

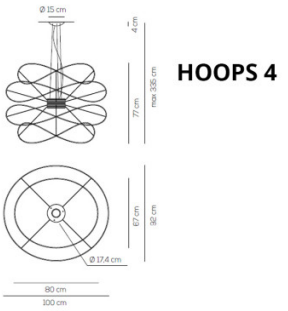

Hoops 3:
Height: 54cm
Outer Thread: 100cm x 92cm
Middle Thread: 80cm x 67cm
Inner Thread: 34.6cm x 27.4cm
Maximum Drop Height: 350cm

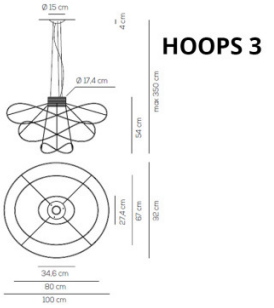

Hoops 4:
Height: 77cm
Outer Thread: 100cm x 92cm
Inner Thread: 80cm x 67cm
Maximum Drop Height: 335cm

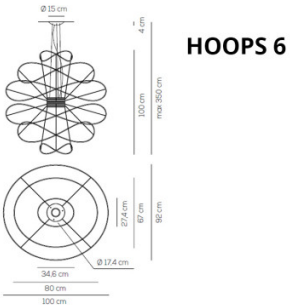

Hoops 6:
Height: 100cm
Outer Thread: 100cm x 92cm
Middle Thread: 80cm x 67cm
Inner Thread: 34.6cm x 27.4cm
Maximum Drop Height: 350cm

Ceiling Canopy Ø: 15cm x 4cm
