PRODUCT DESCRIPTION

Designer: Ernesto Gismondi

Effetto 14 Quadro Double Beam by Artemide

This range of outdoor lights was designed by Ernesto Gismondi for Italian brand, Artemide. Effetto wall lights can create a stunning effect on the front of your business, home or building. The Effetto 14 Square has a square body in white/grey or rust finish and has a double beam. The light is emitted through opposing sides of the quadrate, and you can choose whether you want a large, wide beam or a single and narrow beam. The large beam is of 90° and the narrow beam of 15°. Equipped with an integrated, monochromatic LED light source the wall light emits a warm colour temperature light (3000). Explore more of the Effetto range, with [Effetto 14 Square Single beam](#).

Mixed beam and four beam options available, please [contact us](#) for more information.
