Flos Bon Jour LED Table Lamp

The Flos Bon Jour Table Lamp, designed by Philippe Starck, is the epitome of timeless elegance and high-technology dematerialisation. With a body that is ethereal, pure and almost immaterial, this contemporary table lamp casts a pool of warm light – perfect for a bedside table, reading nook or workspace. The Bon Jour's naked, transparent base can be customized with a variety of interchangeable finishings and materials, expressing personal taste.

This table lamp has a variety of interchangeable crowns in transparent, smoke, rattan and fabric, which can be contrasted or matched to the lamp base, which is available in matt white, chrome, matt chrome and polished copper. The Bon Jour collection also includes the smaller **Bon Jour Unplugged**, providing you with the same ambient glow - with the advantage of portability.
