PRODUCT DESCRIPTION

Designer: Dan Yeffet**Brokis Shadows Pendant**

The Brokis Shadows Pendant Light is a contemporary take on classic atelier lighting, designed by Lucie Koldova and Dan Yeffet. Each pendant pairs a handblown glass shade with a beautifully crafted wooden body, evoking a sense of quiet craftsmanship and timeless simplicity. The concealed light source enhances the purity of the form, while the visible grain and texture of the wood add warmth and natural character.

Available in four distinct shapes, the Shadows Pendant can be tailored to suit a variety of interior applications. The smaller models offer focused, directional lighting ideal for task or accent illumination, while the larger forms provide a broader, more ambient glow. Whether displayed alone, in symmetrical lines, or in organic clusters, these pendants offer a sculptural presence that adapts effortlessly to dining areas, stairwells, kitchen islands, and lobbies.

Fitted with a GU10 LED bulb and suspended by a 2m cable, each Shadows pendant includes integrated Brokis connectors for simplified installation and maintenance. With a wide range of finishes available for both glass and wood, the Shadows Pendant offers a highly customisable solution for refined interiors.
