Kartell Aledin Dec LED Table Lamp

SOURCE: <https://www.davidvillagelighting.co.uk/product/Kartell-Aledin-Dec-LED-Table-Lamp/18084>

PRODUCT DESCRIPTION

Designer: Alberto Meda & Francesco Meda

Aledin Dec by Kartell

Part of the Aledin collection, designed by Alberto and Francesco Meda, the Dec with its distinct diffuser becomes a colourful presence in the room. The Dec light has a cone shaped diffuser, emitting a wide array of light and a bit more atmospheric than its sibling the Aledin Tec.

The polycarbonate aluminium rods contained within the arms provide the power to the LED light source, instead of the conventional wire running through the arm, either externally or internally. The highest dimming setting is class 3, where the Dec light will be emitting about 600 lumens.

You can select your Aledin Dec desk lamp and choose from 5 colour options, Amber, Blue, Crystal, Fume or Green.

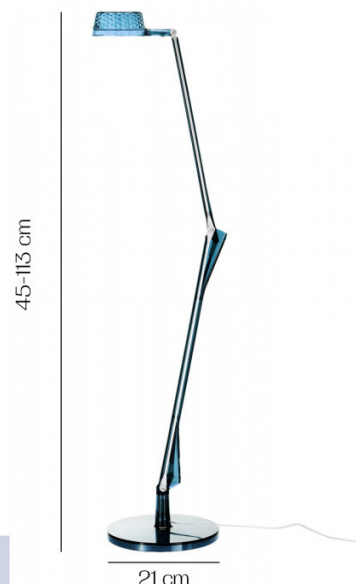

PRODUCT SPECIFICATION

Light Source: 5.6W, 2700K

IP Code: 20

Dimming: Integrated dimmer on the product.

Dimensions: 21 cm base
48-113 cm arm length
