PRODUCT DESCRIPTION

Designer: Cecilie Manz

Muuto Airy Small Coffee Table

A minimalistic design by Cecilie Manz, the Muuto Airy Small Coffee Table boasts a geometric and sophisticated silhouette that is further refined by a light, slim tabletop. Available in three sleek finishes (Black, Off-White or Grey), the plywood tabletop appears to almost be floating in mid-air due to the slenderness of the frame.

The Airy Small Table has a playful yet quiet personality, making it an easy addition to any space. It is a great way to add functionality to areas of relaxation, especially in living rooms, reception areas, coffee shops and hotels. You can display a singular Airy Table or combine it with varying other sizes and colours in the collection for larger interiors.
