PRODUCT DESCRIPTION

Designer: Thomas Bentzen

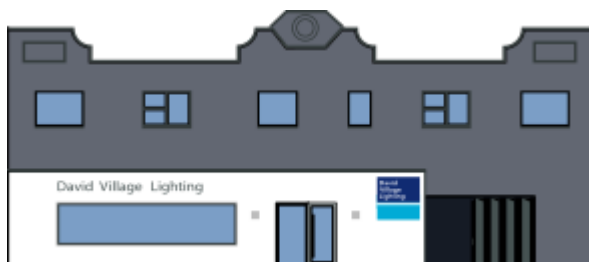

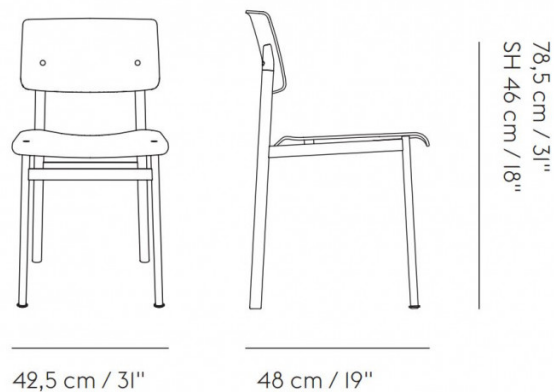

Muuto Loft Chair

Designed by Thomas Bentzen, the Loft chair from Muuto is an honest and simple design combining durability with sophisticated elegance, embodying an industrial-inspired aesthetic. Contrasting materials of cool powder coated steel and warm, soft wood are combined creating a modern piece of furniture which adapts perfectly to its surroundings.

The Loft chair has a wide choice of veneers and leg/frame hues which enhance the chair's industrial/loft style reference for the contemporary interior. The attention to detail and feel for design makes the Loft chair suitable for a variety of uses not limited to; at home or in a canteen, restaurant, cafe or meeting room. The wooden seat is moulded to embrace the user's body, providing the utmost comfort.
