PRODUCT DESCRIPTION

Designer: Ferm Living

Ferm Living Collect High Socket Pendant Disc

Designed as part of Ferm Living's Collect Lighting system, the Collect High Socket Pendant Disc offers a refined yet versatile lighting solution. With its taller socket design and compact Disc shade, this pendant provides a distinctive presence while maintaining a minimalist aesthetic. The powder-coated metal construction ensures durability, while the elegant finish choices allow for easy integration into any interior setting.

Ideal for creating statement lighting above dining tables, kitchen counters, or entryways, the high socket version offers an elongated form that enhances the fixture's visual impact. Featuring a fabric-covered 3-metre cord, a decorative ring, and a coordinating ceiling canopy, this pendant combines function with contemporary design. The dimmable function enables users to customise the lighting intensity to fit any atmosphere.

Please note, this product is also available in a [Low Socket](#) version, a [Bell Socket](#) version and a [Brass Shade](#) version.
