PRODUCT DESCRIPTION

Designer: Zanini de Zanine

Slamp Flora Floor Lamp

The Slamp Flora Floor Lamp is part of a collection inspired by the Monstera Deliciosa - a Swiss cheese plant. This design is made up of 60 metallic 'petals' that surround the light source to create an evocative play on light. Designed by Zanini de Zanine, the Flora fascinates users with its depth and intricate details, thanks to the gaps throughout the design, the light is guided in all directions. Not only does this make for a uniquely beautiful appearance, but when the light source is switched on, it also creates a unique lighting effect that is characterised by reflections and an interplay between light and shadow.

The diffusers are made of synthetic materials patented by Slamp. Lentiflex creates shimmering lighting effects due to a special lens structure, while Goldflex, Steelflex, Copperflex and Pewterflex shine with metallic effects. The range of finishes creates a vibrant contemporary floor lamp that is a great addition to a wide range of contemporary interiors and decor. The Slamp Flora Floor Lamp is perfect for giving ambient, diffused lighting in bedrooms, hallways, living areas, and dining room spaces.

PRODUCT SPECIFICATION

Light Source: 3 x Max 12W E27 LED (excluded)

IP Code: 20

Dimming: In line dimmer included on cable.

Dimensions: Ø50cm
Height: 170cm
