PRODUCT DESCRIPTION

Designer: Mariana Pellegrino Soto

Oluce Alba Pendant

The Oluce Alba Pendant distills Mariana Pellegrino Soto's vision into a single, gracefully suspended opaline glass shade. Inspired by the organic form of a water droplet, the pendant provides soft, ambient illumination, creating a serene atmosphere ideal for living rooms, kitchen islands, or commercial settings. The contrast between the smooth opaline glass and the anodic bronze suspension detail lends the design a refined, contemporary edge.

This pendant's 280cm cable offers flexibility in installation, making it suitable for a variety of spaces. Whether displayed individually for a minimalist look or grouped in clusters for dramatic visual impact, the Alba Pendant is a versatile addition to any interior and pairs beautifully with other pieces in the Alba collection.
