Lanterna Pendant Light by Petite Friture

The Lanterna pendant light was designed by Sam Baron, who reinterprets the aesthetic of a Chinese lantern. The lampshade has a smooth, rounded finish with metal spokes that delicately bend into the middle of the shade. The inside is painted gold, reflecting the light to create a warm, soft glow.

This pendant is available in 3 sizes and 2 colours, allowing you to find the right fit for your space. You could use a bigger size to use as a main light or buy several smaller sizes to put into rows. The possibilities of the Lanterna pendant are endless, providing a comfortable ambience and a downward directed light. Use in homes or commercial settings, suitable for many interiors including kitchens, lounges, dining areas and more.
