Secto Octo Small 4241 Pendant Light

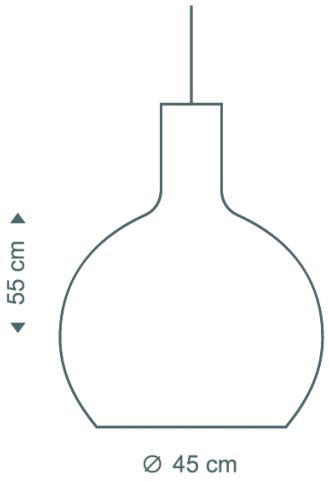

The Secto Octo Small 4241 pendant light is a compact yet eye-catching version of the larger Octo **4240 pendant**. Its airy and lightweight design ensures it doesn't overwhelm smaller spaces, making it ideal for use in rows or groups to create a dramatic lighting display. A perfect fit for residential settings or commercial interiors, its Scandinavian aesthetic blends seamlessly with modern and classic designs alike.

Handmade in Finland by expert craftsmen, the Octo Small 4241 is constructed from PEFC-certified birch. Available in natural birch, laminated black or white, or a walnut veneer, it provides a soft, warm glow that adds a welcoming atmosphere to any room. Pair it with other Secto designs for a cohesive lighting scheme.

Please Note: The Secto Octo Small 4241 Pendant in Birch, White and Walnut is supplied with a white textile cable and ceiling cup as standard, while the Black finish is supplied with a black cable and ceiling cup. Longer cable lengths are available on request at an additional cost. The pendant can also be connected to a DALI lighting system using a separate compatible DALI dimmer, which is not supplied by Secto. Please contact us for further information.
