## Moooi Pet Light Noot Noot Table Lamp

The Noot Noot Table Lamp is part of Moooi's playful and adorable Pet Light Collection. Co-founder of Moooi and lighting designer Marcel Wanders created the series, wanting to produce a functional lamp that exudes personality. The Noot Noot's rounded blown-glass body is characterised by gold ceramic detailing that brings the lamp to life.

The Noot Noot Table Lamp is as decorative off as it is when switched on. When illuminated, the frosted glass body diffuses light, creating a soft glow that surrounds the lamp. An in-line dimmer on the cable allows users to adjust light intensity to suit any setting. The Noot Noot is a perfect companion on a bedside table, beside a sofa, or in a reading nook. Display the [Pet Light Collection](#) together to bring a playful personality to your home that's guaranteed to put a smile on your face.
