Mantis BS2 Mini LED Wall Light by DCW éditions

The mini version of the [BS2 wall light](#), the Mantis BS2 Mini has integrated LED technology and adjustability for a useful lighting solution. Inspired by the praying mantis, Bernard Schottlander originally designed this wall lamp in 1951 alongside others from the [Mantis collection](#).

Available in a black satin finish, the Mantis BS2 Mini wall lamp can be used for a wide range of uses, whether you want to create a nice atmosphere in your dining room or need a handy task light in your office. The wall light has a moveable lampshade and can have its height adjusted by using the chain located on the wall base. A timeless classic that will endure many years, this LED wall light will look stylish and unique in any interior.

The Mantis BS2 Mini comes with a cable and plug so needs to be installed by a socket.
