PRODUCT DESCRIPTION

Designer: Porta Romana Lighting

Porta Romana Tulip Suspension

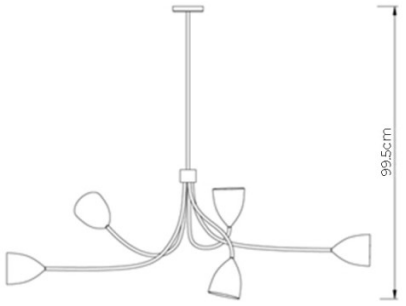

The Porta Romana Tulip Suspension is inspired by nature. Gently curved forged steel stems reach outward, each fitted with spun brass shades for an organic-looking silhouette reminiscent of tulips. The frame is expertly painted in Porta Romana's painting studio for a luxurious finish that suits contemporary settings in residential and commercial interiors alike. Please note that the asymmetric arrangement of arms is fixed and cannot be adjusted.

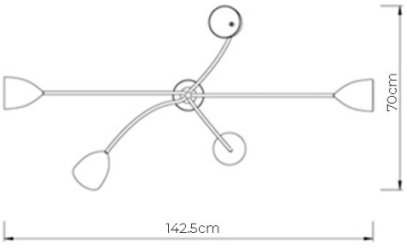

The Tulip Suspension has a sculptural presence that changes with each viewing angle, while its slender frame maintains a light, airy appearance without overwhelming the space. When illuminated, it distributes a practical glow in all directions, with the spun brass inner shade reflecting the light to create a warm, atmospheric ambience. Display above a dining table, in an entrance hall, or anywhere else in the home that requires a decorative focal point.

The Porta Romana Tulip Suspension is available in a range of drop heights and can be painted in alternative finishes. Please contact us for more information.

PRODUCT SPECIFICATION

Light Source:	5 x 3W LED G9 Capsule (Included)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Length: 142.5cm Width: 70cm Available Drops: 99.5cm / 129.5cm / 159.5cm
