PRODUCT DESCRIPTION

Sammode Studio Belleville Wall/Pendant Light

Part of the Paname collection, the Belleville wall/pendant light is derivative of the collection which is known for its ornate grid motif. This simple yet decorative cylindrical tube light is enveloped in an attractive and contemporary stainless steel lattice.

The Belleville wall/pendant light emits light in all directions for greater light coverage, which maximises the sense of space in any room. There is also a white internal film which diffuses the LED light emitted creating a warm and inviting glow.

Belleville comes complete with an integral LED and is supplied ready to install, fully equipped with its cable, light source and wall outlet.
