PRODUCT DESCRIPTION

Sammode Studio Rivoli Wall/Suspension Light

Part of the Paname collection, Sammode Studio's Rivoli wall/suspension light was designed for the Musée des Arts Décoratifs in Paris, where it still lights the contemporary art galleries. The Rivoli has the smallest diameter in the Paname collection, making it perfect for both indoor and outdoor wall mounting.

The Rivoli comes in a black finish, and looks striking even when not in use, making it the perfect addition to any interior design. Used as a suspension light, the Rivoli spreads light evenly through its intricate grid design.

This light comes complete with cable, light source and wall fixings.
