PRODUCT DESCRIPTION

Designer: Pierre Guariche

Sammode Studio Pierre Guariche G3 Wall Light

Designed by Pierre Guariche for Sammode Studio in 1951, the G3 wall lamp is an iconic mid-century design. Its perforated metal grille, available in Black, White, and Grey, diffuses indirect light to create a warm, comfortable glow, making it ideal beside a bed or along a corridor. The lamp can be installed horizontally or vertically and can also be tilted, offering endless possibilities for creating distinctive graphic arrangements and artistic displays of light.

Pierre Guariche is regarded as one of France's most important designers. Sammode Studio remains faithful to his original designs while incorporating modern technology. Guariche created lighting that was comfortable and practical, with a quality of light suited to both general illumination and more specific uses. That philosophy continues today, with all Sammode Studio lighting assembled and packaged at the company's production plant in Châtillon-sur-Saône, in France's Vosges region.

Please Note: The G3 Wall Light can be supplied with Casambi dimming. Please contact us for more information and pricing.

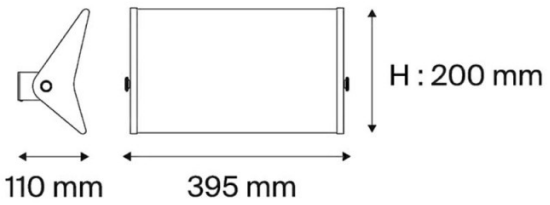

PRODUCT SPECIFICATION

Light Source: 7.5W, 2700K, 1250 Lumens

IP Code: 20

Dimming: Non-Dimmable.

Dimensions: Width: 39.5cm
Height: 20cm
Depth: 11cm
