Buster and Punch Caged 5.0 Ceiling Light

A true statement piece, the Buster and Punch Caged 5.0 Ceiling Light boasts a rectangular design that looks fantastic mounted over bars, kitchen islands, and dining tables. The Caged 5.0 Ceiling Light comes complete with five Buster and Punch LED Buster Tube bulbs, the first designer LED bulbs which use 1/50th of the energy of a conventional bulb, and is fully dimmable when used with an LED-compatible driver. The Buster Bulbs cast a soft, warm, and inviting illumination, perfect for social areas.

The [Caged collection](#) from Buster and Punch comes complete with interchangeable back panels in a choice of either white or black marble encased in a matt black metal knurled lamp holder and Buster and Punch's signature penny buttons. Designed by Massimo Minale, these lighting solutions were inspired by the London skyline and expertly portray a contemporary industrial style.
