PRODUCT DESCRIPTION

Designer: Andrea Tosetto**Lodes Kelly Sphere Pendant**

The Kelly Sphere Pendant is part of the [Lodes Kelly Collection](#), a series characterised by its laser-cut metal lampshade. Designed by Andrea Tosetto, the Kelly Sphere Pendant plays with light and shadow as light is cast through the patterns in the shade. The internal glass diffuser casts a bright, glare-free glow into the surrounding space. This ambient lighting is perfect for creating a comfortable atmosphere in a living room, bedroom, or dining room.

The Kelly Sphere Pendant is available in two sophisticated finishes: Coppery Bronze and Matte White. With a choice of two sizes, the pendant suits a wide range of spaces. Display individually for a touch of sculptural elegance, in multiples to line a long table, or in clusters for a dynamic display. In commercial spaces, large compositions can be created in lobbies or stairwells for a welcoming atmosphere that will leave a lasting impression.

The Kelly Sphere pendant is also available in a large size with an 80cm diameter. Please [contact us](#) to order or for more details.
