Secto Petite 4610 Floor Lamp

The Secto Petite 4610 Floor Lamp is a tall and slender design that combines function and elegance. Standing at 130 cm, the lamp features a rotatable shade crafted from PEFC-certified Finnish birch, offering soft, warm lighting ideal for living rooms, bedrooms, or reading corners.

The Petite 4610's slim silhouette and airy shade make it the perfect companion to armchairs or sofas, adding warmth and character to interiors without overwhelming the space. Its Scandinavian design ensures timeless appeal, while the high-quality craftsmanship guarantees durability.

Available in four finishes- natural birch, walnut veneer, white laminate, and black laminate- the Petite 4610 floor lamp complements other designs in the **Petite range**, including pendants, table lamps, and wall lights.

Please Note: The Secto Petite 4610 Floor Lamp in Birch, White and Walnut is supplied with a white steel stand and white textile cable as standard, while the Black finish is supplied with a black stand and black cable.
