Panzeri Venexia LED Pendant

As a tribute to the enchanting city of Venice, Italian designer Matteo Thun created the Venexia Pendant for Panzeri. Its elegant design, featuring a cast glass diffuser and turned aluminium structure, captures the essence of Venetian charm. The pendant emits a soft, diffused glow, making it suitable for both indoor and outdoor use, thanks to its IP65 rating.

Available in three sophisticated finishes, Corten, Micaceous Grey, and Matt Brass, the Venexia Pendant complements a variety of styles and settings. Ideal for hanging above dining tables, patios, or entryways, this versatile light adds a touch of elegance to residential and commercial spaces alike.
