PRODUCT DESCRIPTION

Designer: Aquilialberg

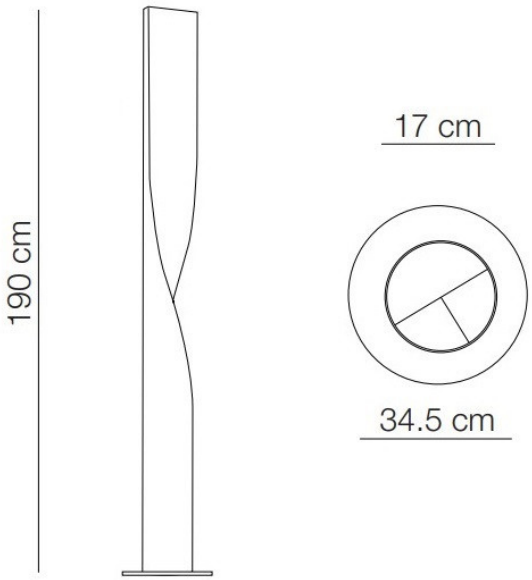

KDLN Evita Floor Lamp

Designed by AquiliAlberg, the Evita Floor Lamp has a graphic and strong aesthetic, combining curves and straight lines to create a truly evocative piece. The Evita is named after Eva Perón, whose strength and grace as a feminist and international pop culture figure are emulated in the lamp's silhouette. When switched on, the lamp casts a soft, ambient glow that complements the lamp's refined aesthetic.

The Evita Floor Lamp is crafted from a combination of steel and techno polymer, with a dualistic colour scheme that creates a warm, soft glow. Available in two neutral finishes, Dove Grey and Warm White, the Evita blends seamlessly into a wide range of interiors without overwhelming the space despite its generous size. A dimmer switch on the cable allows users to adjust the brightness of the light to create an ambience that suits any environment. Display in a dining room or living area to add a graphic, contemporary element.

PRODUCT SPECIFICATION

Light Source:	55W, 2700K, 6000 Lumens
IP Code:	20
Dimming:	In-line dimmer included on cable.
