Verpan Pantop Ø23 Pendant

The Verpan Pantop Ø23 Pendant was designed by Verner Panton in 1980 and has since become a staple in the Verpan lighting collection. Characterised by its smooth, bell-like shade and widely flared profile, the Pantop Ø23 has a simple yet expressive silhouette that feels both playful and refined. With a compact size of 23 diameters, it suits use above bedside tables, kitchen counters, compact dining areas or grouped in multiples for a more decorative statement.

The Pantop Ø23 provides focused, direct light while the generous shade helps create a soft and comfortable atmosphere. Available in a wide choice of finishes, including Cream White, Vivid Orange, Cherry Red, Pitch Brown, Night Blue, Dark Teal, Light Teal and Chrome, it offers an easy way to introduce colour, contrast or a polished accent into contemporary interiors.
