PRODUCT DESCRIPTION

Designer: Jens Fager

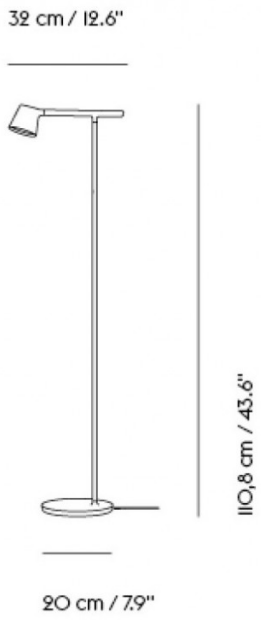

Muuto Tip LED Floor Lamp

Designed by Jens Fager, the Muuto Tip Floor Lamp was created with functionality and style in mind, made from moulded aluminium that has a matt touch. The floor lamp has an integrated LED light source which provides a long-lasting and eco-friendly glow that can be dimmed thanks to the integrated dimmer switch. The arm and lampshade can be turned, so you can direct the light where needed, being perfect as a task or reading lamp.

Available in a black finish, the Tip Floor Lamp will seamlessly slip into any design scheme and will add a contemporary touch to any space. Use in offices as a functional light or use in bedrooms to create a warm atmosphere. Also, match with others from the Muuto Tip collection to create a consistent look throughout your space.
