PRODUCT DESCRIPTION

Designer: Marco Dessí

Lodes Cima Suspension and Floor Lamp

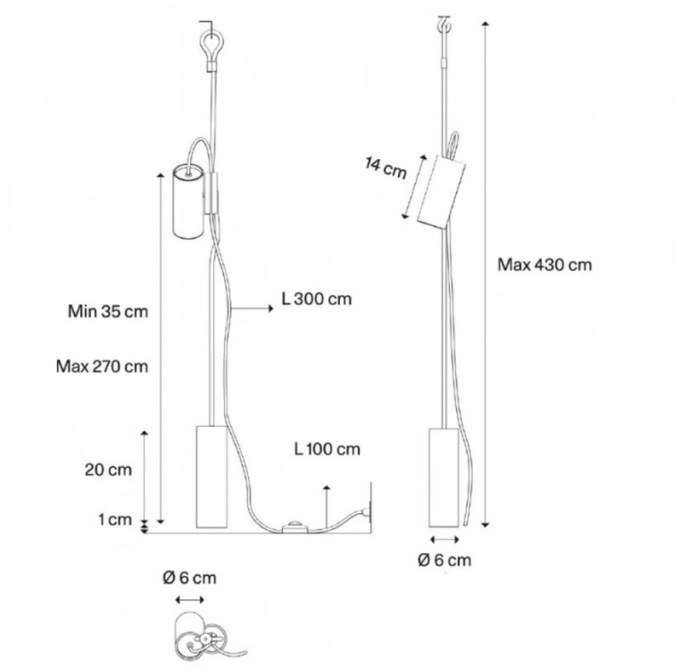

Designed by Marco Dessí, the Cima Suspension and Ceiling Lamp is an innovative design, characterised by its floor-to-ceiling rope. Dessí drew inspiration from the function of jam cleats found in sailing boats. After studying their ability to hold a line securely, Dessí created a similar system that allows the spotlight to slide vertically along the rope. Through this adjustable lighting, users can direct light precisely where required.

When lit, the cylindrical lamp casts a bright beam, perfect for task lighting in an office, as a reading light, or for illuminating artwork on a gallery wall. The Cima Suspension and Floor Lamp is available in three finishes of rope: Gold, Silver, or Black. These bold colourways paired with the lamp's minimal structure suit contemporary environments. In commercial settings, the Suspension is perfect for use in hotels or art galleries.

An additional spotlight is available for the Cima Suspension and Floor Light. Please note that a maximum of two spotlights can be installed per suspension.

PRODUCT SPECIFICATION

Light Source:	1 x Max 10W GU10 Par 16 LED (Excluded)
IP Code:	20
Dimming:	In-line dimmer included on cable.
Dimensions:	Shade: Ø6cm Max Height: 430cm Base: Ø6cm Cable Length: 400cm
