PRODUCT DESCRIPTION

Designer: Patrick Norguet

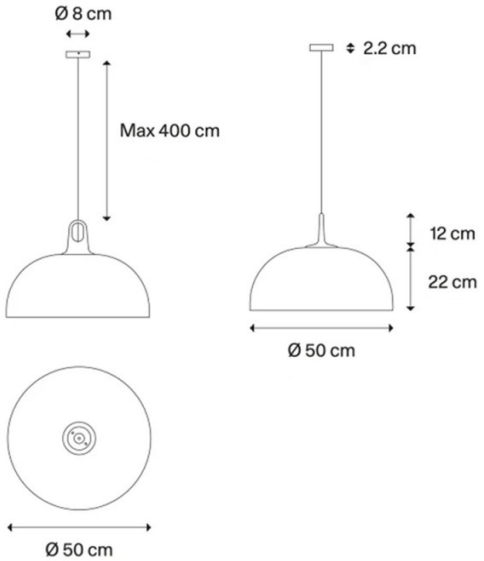

Lodes JIM Dome Pendant

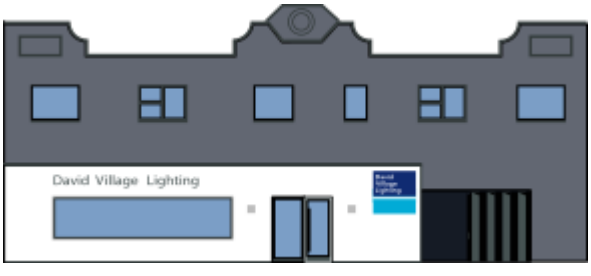

The JIM Dome Pendant was created by French designer Patrick Norguet. For the **JIM Collection**, Norguet drew inspiration from lamps that were often used in workshops and studios in the early 1900s. The JIM Dome Pendant echoes their minimal aesthetic and the functional lighting they provided. The metal shade is available in a Matte Black or Matte Champagne finish, which can be paired with a grey or honey-coloured methacrylate hook.

When switched on, the JIM Dome Pendant provides a wide beam of light, providing functional lighting as well as an atmospheric glow. Install above a dining table or kitchen island to illuminate the surface while creating a welcoming atmosphere in the room. The sleek profile and elegant finishes of the Dome Pendant give it a timeless appearance that suits both residential and commercial environments.
