PRODUCT DESCRIPTION

Designer: Massimo Colagrande

Plint LED Spotlight by Nemo Lighting

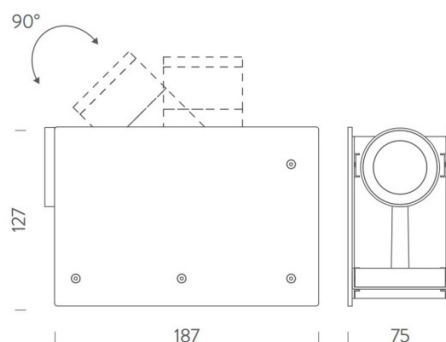

A subtle and useful spotlight, the Plint LED spot has a matt black finish and a small size for ease of use. The spotlight is rotational by 90° so you can direct the light where needed, being perfect for many projects and uses. The Plint light can be used in professional settings to highlight certain features or can be used all around the home for needed illumination.

This spotlight is available with the choice of either a 2700K (warmest white) or 3000K (warm white) colour temperature and has a dimmer switch so you can create the perfect atmosphere for your interior. Use on floors, tables and many more for a concentrated and warm glow.
